Subject: Label Amendment – Adding Potential Use Sites for Formulators
Product Name: BVA Spray 13
EPA Registration Number: 55206-2
Application Date: September 26, 2014
Decision Number: 492987

Dear Ms. Hensley:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). If you have any questions, please contact Dr. William W. Jacobs by phone at 703-305-6406, or via email at jacobs.bill@epa.gov.

Sincerely,

Venus Eagle, Product Manager 01

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- 1) This product may be used to formulate end-use products labeled for:
 - Spray use on alfalfa, almonds, apples, apricots, asparagus, avocados, bananas, barley, beans, beets, cabbage, caneberries, cauliflower, celery, cherries, Christmas trees, citron (citrus), coffee, corn, cotton, cranberry, cucurbits, eggplant, figs, flowers, foliage plants, grapefruit, grapes, hops, kiwifruit, kumquat, lemons, lettuce, limes, mandarins, mangos, nectarines, olives, onions, oranges, ornamentals, papayas, peaches, pears, pecans, peppers, pineapples, pistachios, plantains, plums, prunes, pumpkins, rice, shade trees, shrubs, sorghum, soybeans, squash, strawberries, sweet corn, tobacco, tomatoes, and walnuts.
 - Mosquito larvae control: in swamps, marshes, floodwater areas, drainage areas, waste treatment, settling ponds, ditches, and other manmade depressions.
- 2) This product may also be used to formulate products for any additional use(s) not listed on the manufacturing-use product label if the formulator, user group or grower has complied with U.S. EPA submission requirements regarding support of such uses(s).

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry locked place out of the reach of children.

PESTICIDE DISPOSAL: Pesticide, or rinse solution that cannot be used according to label instructions must be disposed of according to applicable Federal, state, or local procedures.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into the mix tank. Fill the container 1/4 full with water. Replace and tighten closures. Tip container on its side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and tip it back and forth several times. Empty the rinsate into the mix tank or store rinsate for later disposal. Repeat this procedure two more times. Then offer for recycling, if available. If recycling is not available, puncture container and dispose of it in a sanitary landfill or by other approved State and local procedures.

TERMS

To the extent consistent with applicable laws, the seller's guarantee is limited to the terms on the label. The buyer accepts the product on these conditions. Timing and method of applications, crop conditions, weather, and mixtures with chemicals in the use of this product are beyond the control of the seller.
